### President's Message - January 2014

I hope everyone is having a safe and happy holiday season this year! Your volunteer Board will have a *General Session* meeting this January 7<sup>th</sup> 2014.

We recently completed the election of our new Board. The three seats open were filled with the re-election of Tim McComb, myself, and a new Board member, Fred Olsen. We welcome Fred to the Board and look forward to his input.

We need to thank Susan Jerome for her serving on the previous Board. Her insights and opinions have helped us all over the past two years.

We thank Michael Horey for running for the Board this year. Michael is the District 7 Delegate and we thank him for the commitment there as well.

The new Board elected officers and the results keep our Board officers the same as last year.

One of the first orders of business for 2014 will be to get our update of the CC&Rs and By-Laws approved. We need the quorum to be met again to accomplish this, so please respond again to the association mailings.

Your Board is working hard to keep Forster Ranch a great neighborhood in which to live. We are all volunteers and appreciate any help you might offer.

### Landscaping

Bemus continues to work hard on the maintenance of our Ranch. They maintain the Ranch and are hard at work renovating old areas as well. Please keep an eye on things and let us know how the landscaping is looking in your area.

Thanks for the support and emails!

It is great to get feedback! Keep it coming!
