Message from the Board President

We have elected the new Board of Directors! Thank you to all who voted. The new members elected to the Board are Patrick Prendiville and Ben Benumof. Congratulations!

Many thanks to Dennis Voegele and John Marron for their past two years of service on the Board.

Please note that this is an active time of year for rodents. Bemus is now addressing rodent control. With approximately 640 acres to manage, you can help. If you know of an area where gophers or other rodents are a problem, call (949 498-1129 ext. 22) and leave a message, or email Alan at Webb: (alanf@webbmgmt.com)

If you have some time to share, let us know - we love to share the work!

Thanks for the support and emails! It is great to get feedback! Keep it coming! Contact me at FRWayne@cox.net.
