Message from the Board President

The summer is here and we will be electing the new Board of Directors. Thank you to all of you who voted. Only 4 of the districts came up short of quorum for the first election. We now have all Delegates elected and the new Board will be elected in JUNE!

We anticipate the plans for all the Association maintenance area renovation to be completed soon. Watch the newsletter to see when we will be unveiling it.

If you have some time to share let us know - we love to share the work!

Thanks for the support and emails! It is great to get feedback! Keep it coming! Contact me at FRWayne@cox.net.

Pool Safety Tips

Drowning accidents are the leading cause of injury and deaths among children under five. More than 80 percent of the drownings occur in residential backyard pools or spas. It can happen quickly, without warning, without a splash, and without a cry for help.

Secure Pool Area

A fence or barrier completely surrounding the pool can prevent many drowning accidents and is the single most effective method for preventing childhood
