President Message- June 2008

We have a new Management company! The change in Management Company must seem like a sudden change, but in fact your board has been looking at the possibility of change for over a year. We reviewed numerous companies recommended to us. After selecting the 4 companies that fit our needs best we had extensive interviews to select the final 2. At a recent general meeting we had the final vote after much discussion. The level of service from Webb was no longer meeting our needs. We believe that Seabreeze will provide better service at the same or less cost to us the homeowners.

Debbie Kissen is our new manager. She is working hard to make the transition go smoothly. If you need to contact her she can be reached at 949 855-1800.

Please remember to change the place to which you send your payments. Many of us have automatic withdrawals from our bank and the new information will need to be updated so your payments get to the right place.

Members not part of a Sub-Association will be electing your District delegates very soon. District Delegates typically meet once a year representing your neighborhood (District) to elect your board. Please be sure to return your ballots when you receive them. *Multiple mailing resulting from lack of returned ballots cost us all money that could be better spent supporting our community.* (Sub-associations select their delegate within the Sub-association).

The Board is always looking for ways to make our community better. Made up of volunteer homeowners we put in our time to help everyone. We are looking for Homeowners to be District Delegates for those areas not having a Sub-Association and Board Members as well. Please consider getting involved.

Please watch your mail for Association mailings. When it comes time to vote be sure to return your ballot.

If you have some time and could volunteer, please let us know. Your Association is OWNED by YOU is a valuable part of your real estate investment and your home. Let us know if you can help.

If you have comments or suggestions, please share them.

Thanks for the support and emails!

It is great to get feedback! Keep it coming! Contact me at

CRIME PREVENTION TIP OF THE MONTH

Graffiti is an ugly blemish that ruins neighborhoods, lowers property values, and sends a message to criminals that no one cares. Working together we can keep our community and San Clemente clean and safe.

1. Report graffiti on public areas .
2. Remove graffiti immediately from personal property; graffiti will promote more graffiti and crime in the neighborhood.
3. Report graffiti and vandals to the OC Sheriff 's Department 949-770-6011
