President's Message – May 2011

The Board is always looking for ways to make our community better. Made up of volunteer homeowners just like you, we put in our time to help everyone. We do our best to do what is good for the community. You are always welcome at the general meeting on the first Tuesday of the month. Share an idea or concern or just listen to what is happening.

This month we have some special help! Melinda Stone [melinda@welcomexpress.net] was key in putting together the first Forster Ranch Community Garage Sale. Thanks for all her work! Now she has organized one in the Spring (May 14th). The idea is to have the entire Ranch involved. Individuals as well as whole sub-associations are getting behind this. This is a great opportunity to clean out some things in your garage and get to know your neighbors a bit better as well.

Let me know what you think as well as any other ideas you may have to keep our community the best in San Clemente.

Have a great month,

Wayne
